

YOU ARE INVITED TO ATTEND THE

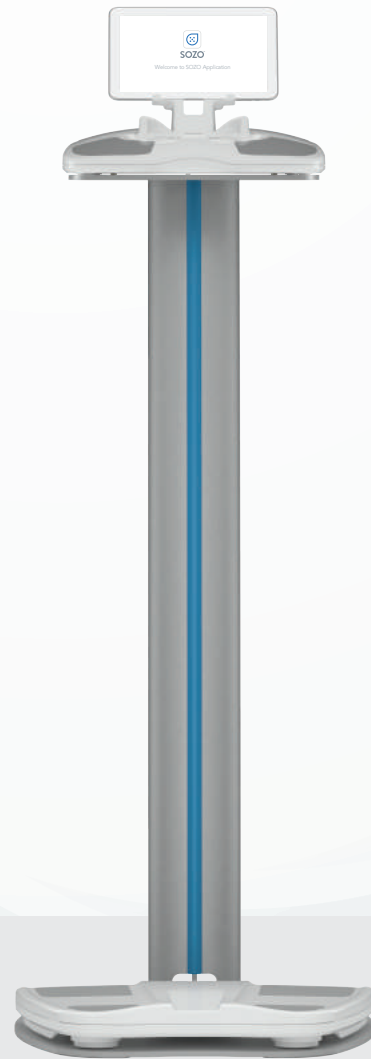

"Tissue Analysis, Exercise & Cancer Survivorship"

EDUCATIONAL EVENING

WITH INTERNATIONAL SPEAKER:

Maureen McBeth

(USA), MPT, Certified
Lymphedema Therapist-LANA
M. McBeth Consulting, LLC
Hunt Valley, MD

Our mission is to leave no survivor untested that can benefit from our technology. Come learn more about the future of survivorship and how ImpediMed's new medical device platform can lead to more efficient clinical decision making which helps to protect your patient's quality of life as a survivor. Survivorship starts with SOZO™.

WHEN:

- 12th February 2018 - Sydney**
- 13th February 2018 - Brisbane**
- 15th February 2018 - Melbourne**

Starters and beverages will be provided.
