Skin Care Solutions

3M™ Cavilon™ Durable Barrier Cream

# Durable protection for at-risk or severely dry skin.

Formulated with 3M polymer technology, 3M™ Cavilon™ Durable Barrier Cream is a concentrated, fragrance-free moisturising skin barrier that resists wash-off and allows adhesives to adhere.<sup>1</sup> It's ideal for moisturisation of at-risk and/or severely dry skin. It also provides a barrier which protects skin at low risk for breaking down.<sup>1</sup>

# Where ingenuity and innovation meet real-world needs.

**3M™ Cavilon™ Durable Barrier Cream features an innovative, polymer-based formula that:**

- ✓ Moisturises at-risk and severely dry skin<sup>1</sup>
- ✓ Provides a breathable barrier to promote skin health<sup>1</sup>
- ✓ Resists wash-off, eliminating the need for frequent reapplication<sup>1</sup>
- ✓ Allows tapes and dressings to adhere
- ✓ Helps reduce product used due to its concentrated formulation
- ✓ Does not clog continence pads<sup>2</sup>

**Suggested Applications<sup>1</sup>:**

- ✓ Protecting at-risk skin from damage associated with incontinence
- ✓ Moisturising severely dry skin
